

سری	مدل	مشخصه های فنی	پورت های ارتباطی	قابلیت های نرم افزاری	قیمت فروش (تومان)
CPU FL8	FL8-E8-D	8-axis EtherCAT	2xRS485 / 2xEtherNet 1xCANOpen Master(up to 72 slaves) built-in CANopen field bus 31 Expansion module compatibility Supports electronic cams and electronic gears	Developed based on the Codesys platform with IEC 61131-3 Software Standard / Integrated control platform for PLC and motion control / EtherCAT high-speed motion control bus / Object-oriented programming / Built-in High-Speed IO, Integrated CANopen Communication	64,000,000
	FL8-E16-D	16-axis EtherCAT			92,000,000
	FL8-E32-D	32-axis EtherCAT			120,000,000
CPU FL7	FL721-0808N-D	DC 24V 8DI(Bipolar)/8DO(NPN 500mA)/8xHigh speed 4xAB phase counter 200kH/ 8xHigh speed 4xAB phase Pulse output 200kH	2xRS485 / 1xEtherNet 16 Expansion module compatibility	PLC project download without external power supply/ Support Modbus-RTU TCP protocol Interpolation functions / Cut to length function / Graphical configuration / Automatic analog conversion / Interpolation function / Follow cutting function/ Flying shear function	20,000,000
	FL721-0806R-D	DC 24V 8DI(Bipolar)/6DO(Relay 2A)/8xHigh 4xAB phase speed counter 200kH			20,000,000
Digital module	FR-D0016N	16-point NPN output 500mA			12,500,000
	FR-D0006R	6-point Relay output 2A			10,000,000
	FR-D0808N	8-point Bipolar input / 8-point NPN output 500mA			12,000,000
	FR-D1600	16-point Bipolar input			12,000,000
Analog module	FR-A0400M	4-channel analog Input / with 16-bit resolution / supporting 0-10V and 0-20mA ranges / Customized range (-30000~30000)			15,500,000
	FR-A0004M	4-channel analog output / with 16-bit resolution / supporting 0-10V and 0-20mA ranges / Customized range (-30000~30000)			15,500,000
	FR-T0400K	4-channel temperature sensor input for thermocouples / K, J, R, S, B, T, E, N, C, NTC, PTC			18,500,000
	FR-T0400P	4-channel temperature sensor input for platinum resistance (RTD) / PT100, PT1000, Ni100, Ni120, Ni1000, Cu50, Cu100			18,500,000
Com module	FR-ECAT	EtherCAT communication coupler / 2xRJ45 / Speed 10-100Mbps / Isolated			31,000,000
